Dear Sirs,

s.s. "MAURETANIA".

We beg to advise you that the Certificate of Approval of the position of the centre of the Disc (Load Line Certificate) for the above named steamer has been lost.

We shall therefore be obliged if you will arrange to have issued two more copies, and when ready will you kindly forward one certificate to our Southampton Office and one to us.

The s.s. "MAURETANIA" is now at Southampton, where, if necessary, the particulars may be verified.

Yours faithfully © 2018
