Vessel's Name, s.s. "MAURETANIA".

QUESTION.

ANSWER.

Date:— 20th March, 1935.

With reference to my letter of the 18th December last, I think it well to point out that the starboard forward shaft Survey is now due, and it is hoped this matter will receive attention when the port forward and after shafts are surveyed during the up  
's lay/period.

It is understood that examination for the purpose of tendering a breaking up price for the vessel is now being held.
