18th December, 1934.

Dear Sirs,

H. I am in receipt of your memorandum of the 14th instant relative to the Boiler Survey of the steamer "MAURETANIA", and in reply I have to say that the case has received consideration today, and that in the circumstances mentioned by you the Committee will be agreeable to the inspection in question being postponed for the present.

It is, of course, understood that the survey of the port forward and aft screwshafts will be carried out during the vessel's lay up period.

I shall be glad if you will inform the Owners accordingly.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,

SOUTHAMPTON.
