Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

15th May, 1929.

Dear Sirs,

H. I have to acquaint you that in September last the Society's Surveyors at Rotterdam reported that the barque "PASSAT" had been examined in drydock fully loaded on account of damage to the bow plating through collision, Partial and temporary repairs were effected, and the Surveyors recommended that permanent repairs should be carried out on the vessel's return from her contemplated voyage.

It would appear from the Shipping Papers that the vessel arrived at Delfzijl on the 7th instant, and in the circumstances I shall be glad to learn how the case stands.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,

AMSTERDAM.
