Dear Sir,

"PASSAT"

With reference to your letter of the 19th October and to resent correspondence in connection with the possible sale of this ship to American interests, we have now been advised by the present owners that the ship will be sold to the German Navy and is expected to be berthed at Travemünde.

It is also understood that Captain Burke of Windjammer Cruises, Inc. has been notified to this effect by the present owners.

It is unlikely that the German Navy will retain this ship in classification, but we hope to forward more information on this matter in due course.

Yours faithfully,
The Surveyors,
Per:-

The Secretary,
LONDON.
