IN YOUR REPLY PLEASE QUOTE ABOVE HEADING.

Dear Sir,

S/V "PASSAT". This vessel is at present discharging in
the Millwall Dock, where we anticipate she will be for the next two weeks.
After which, she will probably be proceeding to the London Graving Dock,
West India Dock, for Drydocking.

The vessel has not yet received an International Load-
Line Certificate, and we shall be glad therefore, if you will arrange for
a Survey to be held, and a New Loadline ~~Certificate~~ assigned.

Yours faithfully,
FOR H. CLARKSON AND COMPANY LIMITED.

Referred to the Chief Ship Surveyor
(Frederard).

8 SEP 1933

It is submitted the London Surveyor
be advised that the Board have not previously
been advised by this Society. The plans however
particulars are not available. The plans however
are in the office. The Surveyor should refer to
particulars (including the sheet) on which the
particulars should also forward the particular
should also certify at present on board the vessel.
