16th November, 1951

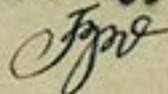

Dear Sirs,

"PAMIR" and "PASSAT"

We herewith return two copies of plan No. MR 2500 showing compressed air lines in respect of the above vessels.

We have much pleasure in stating that the plan will be approved, provided the remaining requirements of the Rules for Pumping and Piping be complied with so far as they are applicable.

Yours faithfully,

Enclosures.

The Surveyors,  
Kiel.
