

Enclosure.

26th June 1952

Dear Mr. Bowman,

S.S. "PAMIR" and "PASSAT" - Propellers

I enclose herewith a copy of letter addressed to Messrs. Ostermann which is self explanatory.

As Messrs. Howaldtswerke Kiel ordered the propellers you might bring the matter to their attention; also I might add that a new design is being referred again to the Committee by Messrs. Ostermann.

It is understood that a new propeller has been dispatched for fitting to the S.S. "PASSAT" but this is of course without the Society's approval.

Yours faithfully

J. Bowman, Esq.
Kiel.
