**URGENT.**

Propeller DWG: 00541 showing increased  
 Mass actions 117 at root - 94 and 61 at outer sections  
 accordingly and he reminded of the Secretary's letter of the 29 July 52  
 requiring triagraph records on the trial of the aircraft from the  
 to determine the situation shown in the drawing due to the increase  
 made to a case critical the propeller which will be lowered due to the increase  
 Propeller inertia
