Dear Sir,

Aux. M. V. "P A S S A T"
No. 22879 in the Register Book.

With reference to our letter of the 3rd and your cablegram of the 5th September, we have to inform you that the Owners have now decided to carry out a complete Special Survey of the hull and machinery of the above vessel.

As regards the rigging we have thought it advisable to seek the services of a reputable expert of/ named Capt. Richard Sietas, to make the necessary inspection and furnish his report, and we trust this arrangement will be in order.

We confirm your cablegram as follows:-
