Dear Sir,

"PASSAT" - Hamburg Rpt. No. 4665

With reference to your Classing letter of the 11th instant regarding the above, we have to advise you that when the ship was in floating dock at Hamburg in March last, nothing was known of the outstanding condition of class regarding hawsers and warps, and no action was taken.

This ship underwent Special Survey in Lübeck in September, 1955, at which time the hawsers and warps were found to be in accordance with Rule requirements.

Yours faithfully,  
The Surveyors,  
Per:-
