

5 "PASSAT" As recommended. I have to acquaint you that as a result  
a survey carried out at Buenos Aires in January last the class was  
subject to the hawsers and warps, etc. being brought up to Rule  
requirements, and to the repair of poop deck fittings being effected  
to the propulsion motor supercharger clutch being overhauled and  
mined on the ship's arrival from her present voyage at a European
