Dear Sir,

m.s. "PASSAT"

We refer to your letter of the 4th September the contents of which have been noted.

It is assumed that the General Examination can be carried out afloat but we should be glad to have your confirmation of this point. It is considered likely that the owners will be drydocking the ship sometime this winter, but no definite decision has yet been obtained from them on this particular point.

Yours faithfully,
The Surveyors,
