29th January, 1896.

Dear Sirs,

I am in receipt of your letter of the 27th instant respecting the Boiler Survey of the Steamer "SIREN", and have to state that your proposal to attend to this matter when the vessel is placed in dry dock next month is considered quite satisfactory.

I am, Dear Sirs,

Yours faithfully,

Secretary.

Messrs. J. Currie & Co.,
16, Bernard Street,
