71, Fenchurch Street, E.C.

19th July 1915.

Dear Sirs,

I have to acquaint you that to complete the fourth Special Survey No.3 of the steamer "STETTIN" which was partly held at Leith last month the vessel requires to be examined in drydock. The Owners state the vessel is now on her way home from Oporto and on her arrival the inspection in question will be completed. This will probably be done at some East Coast port and I have therefore to request that in the event of the vessel coming to your district you will give the case the necessary attention.

I have to add that the survey of the machinery was fully carried out last month.

I am, Dear Sirs,

Yours faithfully,

Secretary.
