Port of Registry

Leith

**LMC 5,11 B.S. 12,13**

Survey due Fourth Special Survey No. 3 due April, 1914.

The Owners recently stated they proposed to carry out the above survey when the vessel was laid up for her next overhaul about the beginning of next year.

In reply to inquiry as to their opinion in regard to this postponement, the Leith Surveyors state that when the vessel was in drydock at that port her general condition was found to be good. They add that she is a regular trader to Leith and can be examined at any time afloat. They therefore consider the Owners' proposal merits favourable consideration.
