

Sent to Chief Ship Surveyor 24.4.14Received from Chief Ship Surveyor 27.4.14VESSEL'S NAME Iron S.S. "Skettin"Rpt. hwe No. 40069

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the nature or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement." - Extract from Sub-Committee's Report, 24.5.11.)

Nature of Survey

DAMAGE.

This vessel is reported by the Newcastle Surveyors  
to have sustained damage to stem, stem plating, frames etc through striking Quay wall  
Temporary repairs have been effected to <sup>their</sup> his satisfaction to enable her to proceed on her voyage.

The Surveyors recommend that permanent repairs should be effected  
on return from the present voyage.

It is submitted the vessel appears worthy to remain as classed  
without record of survey subject as above, as recommended.  
The Owners should be informed accordingly.

as now subject to.
