

COPY FOR LONDON OFFICE.

Lloyd's Register of Shipping.

Port Newcastle-on-Tyne

24th July 1917

This is to Certify that I have

Surveyed the iron screw steamer Stettin 876 tons gross
of Leith for damage alleged sustained through
striking Quay Wall at Dunkirk on the 18th July 1917

and that I have transmitted to the Committee of Lloyd's
Register of Shipping, London, a Report, stating that all repairs
recommended by me have been completed to my satisfaction, and
that I have Recommended that she be continued as
closed in the Society's Register Book subject
to permanent repairs to bow being carried out on
the vessel's return from present voyage
being fit to carry dry & perishable cargo

Arthur Lenthard.

Surveyor to Lloyd's Register.

See 2-2-0

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

While the Committee use their best endeavours to ensure that the functions of the Surveyors properly executed, it is to be understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for any error in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book, or other publication of the Society, or for any error of judgment, default, or negligence of the Surveyors, or other Officers or Agents of the Society.
