Dear Sirs,

H. I am in receipt of your letter of the 24th instant respecting the steamer "SKETTIN" and in reply I have to say that in the circumstances, the Committee - who have had this case before them at their meeting to-day - have deferred action until the vessel's return from her present voyage to the Baltic. You will be so good as to inform the Owners accordingly.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

LEITH.
