Received from Chief Ship Surveyor

VESSEL'S NAME Iron s.s. "STATIN" Rpt. Lth No. 16388

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24.0.92.)

Nature of Survey

The 5th s.s.No.2 became due 6,23.

A proposal to complete the special survey within the year of grace has been agreed to provided a part of the survey be held, and the vessel generally examined and favourably reported upon.

The Leith Surveyors now report the vessel placed in dry dock, the bottom recoated and the requirements of the 5th s.s.No.2 partly carried out.

From a general examination made of the vessel the Surveyors are of the opinion that the above proposal is worthy of favourable consideration.

It is submitted action be deferred.
