Periodical Surveys, when held, must be reported in detail and notation in the terms of the Rules. State clearly the cause of Repairs, if any, and, in detail, the nature and extent of Examinations and subsequent repairs. Repairs on account of Damage (the cause of which must be stated) should be separated from Repairs due to other causes, and besides being detailed in the body of the report, should be summarized in the form shown below. Whenever the replacement of Anchors or Chains is reported, the particulars should be clearly stated in the space provided on the back of this form. State also the dates and initials of any letters respecting this case.
 In damage cases where the Surveyor has not made a special damage report he is required to state whether he offered his services for this purpose and to whom and why they were declined Yes, to owners
 representative - not required Was a damage report made by anyone else? If so, by whom? Yes, Underwriter's Surveyor

REPAIRS, OR EXAMINATION AS PER RULE, FOR Damage
 (1) Damage alleged to have been caused by a breaker during heavy weather on 21st November 1927 off the fairway buoy entrance to River Tay. Found the chert house Stone in - this now completely renewed & the working boat was also stated to have been washed overboard & the owners representative stated this would be replaced at their convenience. Life Boats found in good condition.
 (2) Damage stated to have been caused through collision with the S.S. Akt. in the harbour at Hamburg on the 20th January 1928. The cement box in way of damaged shell plating on star^d side now removed & the following repairs have been carried out: Shell:- Plate No 1 Upper Deck sheet P.T.O.

General Observations, Opinion as to Class, Recommendation, &c.:-
 State clearly whether any and, if so, what alteration is suggested to be made in the existing classification and notification of the vessel in the Register Book consequent upon this survey, thus, for example, "to remain as now classed in the Register Book without fresh record of Survey," "to remain as classed and to have record of survey 1, 2, 1," or "to remain as classed and to have record of survey, 1, 2, 1, and the notations of ss No. 1-24 and p1N24, &c."
 This vessel is now in good & efficient condition eligible in my opinion to remain as classed without fresh record of Survey. It is recommended the notations "Repairs to chert house" & "Collision damage repairs" be deleted from the Special Reasons List.
