VESSEL'S NAME Iron S.S. "STAMPIN".

Rpt. Dun.

No. 8638.

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Excerpt from Sub-Committee's Report 74.5.92.)

Nature of Survey \_\_\_\_\_

The Dundee Surveyor reports that a shell plate on port bow which was found fractured and holed through striking a buoy, has been doubled, but recommends that the plate be further dealt with at the Owners' convenience.

It is submitted the vessel appears worthy to remain as classed, without record of survey, subject as recommended.
