Lloyd's Register of Shipping.

Port Dundee.

23rd March. 1928.

This is to Certify that I have

Surveyed the Iron Screw Steamer "STETTIN", 876 tons
gross of Leith on account of Damage to the port bow
shell plating.

and that I have transmitted to the Committee of Lloyd's
Register of Shipping, London, a Report, stating that all repairs
recommended by me have been completed to my satisfaction, and
that I have Recommended that she be retained as

Glassed in the Register Book and the shell plate on the
port bow to be dealt with at Owners' convenience.

being fit to carry dry and perishable cargoes.

Syrell
Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default, or negligence of the Surveyors, or other Officers or Agents of the Society."
