QUESTION.

ANSWER.

With reference to your memorandum of the 16th September last I shall be glad to learn how this case now stands.

I shall also be glad to learn the Owners intentions regarding the Boiler Survey which is now due.

You will observe that the 6th Special Survey No.2 will become due at the end of this month, and I shall be glad to learn what steps the Owners propose taking to have this survey held.

Date:— 26th November, 1932.

This vessel is still laid up indefinitely at this port, from a conversation which we have had with the Owners' Superintendent we are informed that they are fully aware of the surveys now due on this vessel. They state that all outstanding surveys will be carried out before the vessel proceeds to sea, but in the meantime there are no prospects of employment.

John Houston.
