Gentm

Having visited the S.S.  
"Charles Howard" 8021 Tons now in the  
Graving Dock, Millwall Dock, I observe  
that she has no open Ports or Scuppers for  
discharge of water from the main deck,  
in accordance with the Rules of this  
Society, for arming Seamed Vessels, I  
therefore beg respectfully to call your at-  
tention to the above fact, before reporting  
the Ship to the Committee, in order that  
you may take the necessary steps to  
secure compliance with the Rule, or  
to offer some suggestion for the satisfaction  
of the Committee, in order that the Vessel  
may retain her Character in the Register  
Book.

I am gentlemen

Your obedient servant

Henry T. Gynell.

P.S. I beg to enclose you a printed notice  
relative to the foregoing —
