The Secretary
Sir

I am in receipt of your letter dated the 1st instant with reference to the S.S. "Mineral" and regret to hear that I have failed to make my letters and reports clear. At your request I have submitted for approval a special damage form stating the repairs necessitated by the alleged negligence. I beg to state that I attribute all the other defects enumerated in my Repair Report No 3544 of the 28th of September 1891 as Wear and Tear and find it a very difficult matter to decide where Wear and Tear stops and negligence commences

I am,

Sir,

Your obedient Servant.
