

32, GREAT ST HELENS.E.C.

9th Nov 1891.

The Secretary at Lloyds.

Dear Sir : -

With reference to our Representative's visit today, will you kindly instruct Mr Cooper, your Surveyor at Falmouth, to favour me with a survey report showing how far the wear and tear and shaking-to-pieces of the engines is due to negligence, as I find that under my Insurance Policies I am entitled to recover for negligence.

Yours truly,

*Wm Alfred Lawrence*  
*Wm W. Louch.*
