

10th September 1891.

Dear Sir,

With reference to my letter of the 5th inst. and previous correspondence respecting the case of your Composite ship "Leander", I am directed to acquaint you that the General Committee has the matter under consideration to day, and that they regret that, under the circumstances, they had no other alternative than to confirm the decision already communicated to you to expunge the vessel's class with a red line, indicating non-compliance with the Society's Rules.

I am, Dear Sir,

Yours faithfully,

W. H. Ross Esq.
