

19.5.92

Thermopylae

For the remarks of the CHIEF SURVEYOR and CHIEF ENGINEER SURVEYOR.

A.C. No.

Date

B.C. No.

It is submitted the Surveyor at Hong Kong should be furnished with a copy of the report received from the Surveyor at Victoria (B.C.) and he should be requested to give the case the necessary attention. At the same time he should be informed that the first Special Survey after continuation is overdue, and he should arrange for its completion.

The Owner should also be communicated with in reference to the results of the survey held at Victoria B.C. and be requested to arrange for the recommendations of the Surveyor and the requirements of the Special Survey to be completed at Hong Kong.

J.H. L.B.
