S.

enclosure.

13th May, 1892.

S,

With reference to your report No.1235 on the ship "THERMOPYLAE",
as directed to enclose herewith a further report which has been
received from the Society's Surveyor at Victoria, B.C. on this
vessel, and with regard thereto, I have to request you will furnish
for the consideration of the Committee, with any remarks you
may have to make on the statements in the accompanying report
respecting the condition of the caulking of the topsides and bottom.

You will be good enough to return the enclosure with
your reply.

I am, Sir,

Your obedient Servant,

Secretary.

C.W.Loos Esq.

Rotterdam.
