Sir:-

Since our respects of 16th ulto. we have been informed by our Victoria Firm that in consequence of the delay in the passage of the "Thermopylae" to Victoria, she having only arrived on the 23rd March, they intended to have her examined according to requirements at Victoria as you had originally intended, and they find your agent there has also been advised. Her next cargo is also purchased for her in Saigon for May-June shipment and it will be all she can do to get over there in time for it, therefore there would not be time to have examination at Hong Kong. Thinking it might be necessary for you to have this information enabled you today as follows:- "Decided survey Thermopylae at Victoria", all of which we trust will be in order.

Yours very truly,

Mount Royal Milling & Mfg Co.
