Dear Mr. Robertson,

Thank you very much for your most valuable report on the "Cutty Sark," which you were kind enough to send in duplicate to me, and which I understand you have discussed with Captain Bruce Glasier.

I cannot overstate the gratitude and appreciation which I feel to you and to Lloyd's Register of Shipping for undertaking this inspection; and I feel that your report may well be the turning point which will decide the London County Council to accept responsibility for the "Cutty Sark," and may therefore well be the means of ensuring her preservation in perpetuity.

Yours sincerely,

Frank W. Carr
Director.
