2nd March, 1951.

Dear Commander Coleman,

The "Cutty Sark".

As you know, the "Cutty Sark" is now being surveyed in dry dock and it is hoped that Mr. Robertson's report will shortly be available. It is proposed, therefore that the exploratory committee shall meet aboard the "Cutty Sark" in Millwall Dry Dock on Wednesday, 7th March at 2.30 p.m. to inspect the vessel and then proceed to Mr. Maddox's office to hear Mr. Robertson's report and to agree the terms of their recommendation.

I hope you will be able to be present at this meeting.

Yours faithfully,

(SGD.) J. RAWLINSON
