"CUTTY SARK"

Steering Committee

Palmerston House,  
51, Bishopsgate,  
London, E.C.2.

13th November, 1952.

J.M. Robertson, Esq.,  
Lloyd's Register of Shipping,  
SOUTHAMPTON.

Dear Mr. Robertson,

As a recent meeting of the Board of Governors, Mr. Charles Blake mentioned that it would be extremely valuable if your advice could be enlisted on to our Technical Sub-Committee, and the Board unanimously decided to invite you to serve as a co-opted member of that Committee.

I do not know whether you visit London very often, but if you can see your way to accept, perhaps you will be kind enough to let me know when you would be coming up, so that if necessary a Committee Meeting could be called to fit in with your arrangements.

I need hardly say how grateful we shall all be if you can help us, and perhaps you will let me know in due course.

There is a meeting arranged for Wednesday next, the 19th instant, at County Hall, Room 443 at 11.30 a.m., but it may be that the notice is too short for you to attend on this occasion. If, however, you can, Mr. Blake will be coming up, and perhaps could arrange to give you a lift.

Yours sincerely,

*W. C. Hall*
