1st April 1898.

Sir,

I have to acquaint you that I am in receipt of a letter from the Society's Surveyor at Lisbon from which it appears that the Owners of the ^{Ship} ~~steamer~~ "FERREIRA" have informed him that if practicable the vessel will be submitted to the requirements of the rules for the Special Survey of composite ships on her arrival at your port from the United States, but that if they find that they cannot hold a Survey at Cadiz they will attend to the matter on her arrival at Lisbon where she is expected in October.

I have therefore to request that on the vessel's arrival you will give the case the necessary attention.

I am, Sir,

Your obedient Servant,

Secretary.

W. West, Esq.,

CADIZ.
