Antwerp, 24 September 1898

The Secretary,
Sir,

In reply to the enquiry contained
in your letter of the 18th inst. respecting
the case of the Steamer "Nederland";
we beg to state that this vessel
arrived several days late upon
her recent return to this Port, and
having to sail again at a specified time
with her passengers, the interval between
her arrival and departure did not
admit of anything being done towards
the completion of the 2nd Special Survey No. 3.

The Superintendent informs us that
arrangements are being made to finally
complete the survey in question when
the steamer next returns to Antwerp.

I am, Sir, Yours faithfully,
J. G. G. Rule
