

Lloyd's Register of British
and Foreign Shipping.

28, Oude Quay.

Holland.

Antwerp, February 9 1901

The Secretary
Sir

S.S. "Nederland"

In reply to your clacking letter
of yesterday's date, re Antwerp: 4776 on
the above steamer. I beg to state that
only the ^{particulars} of the sea connections
were examined at this time. The
sea connections will be examined
when the vessel completes her special
survey at her summer overhaul.

The screw shaft was renewed by
the Owners on account of its age
& not for any defects, this shaft is
somewhat pitted but is still quite
efficient.

Yours obediently,
H. T. Tuck

11 FEB 1901

The Secretary
Sir

22. Redburn

For reply to your letter
of yesterday's date, in reference to
the above steamer. I beg to state that
only the "Particulars" of the sea connection
were examined at that time. The
sea connection will be examined
when the vessel completes her special
travelling at her summer season.
The above draft was reviewed
the same account of the
not for any defect, this
of the vessel is the
official.

Referred to the Chief Ship Surveyor
and the Chief Engineer Surveyor.

Also for Mr. Hill to note.

11 FEB 1901
