The Secretary : London.

Sir  
In reply to your letter of yesterday's date I beg to inform you that the S. S. 'Strathleven' is now at this port under survey for the renewal or repairs of damaged plates &c in the topsides but the owners state that the bottom was examined in dry dock at Greenock this week (as stated in Greenock rep 10096) found in good condition and that the Bunkers are now filled & a large portion of the cargo being on board renders it impracticable to have her redocked at the present time.

Enclose the Hong Kong & Greenock reports.

Yours faithfully
