

25<sup>th</sup> September 93. Captain Cormack  
Master S.S. Strathleven

Dear Sir, The following parts remain to be surveyed  
in order to complete the special survey No 1 commenced  
on the S.S. Strathleven at this port viz:-  
Holds, peaks, coal bunkers, engine room space, decks,  
masts, spars, general equipment, chain cables & steering gear,  
cylinders pistons, slide valves, crank shaft, pumps & condenser,  
the connections & arrangement of cocks, pipes, ledge & cuttings, rollers,  
Boilers, superheaters & safety valves.

Yours faithfully  
H. Cormack
