JFH

Enclosure.

4th July, 1927.

Dear Mr.Keith,

I have this morning received your letter of the 1st instant returning the classification certificate of the steamer "ARANDORA", and note what you say. As, however, the duct keel is shown on the approved plans (profile and pumping) to extend for 57 frame spaces or 152 feet, I return the profile plan for amendment, in view of the Builders' statement. In the meantime, I am retaining the certificate and shall be glad to hear from you on the subject.

Please return the enclosed plan with your reply.

With kind regards,

Yours faithfully,

D.M.Keith, Esq.,

LIVERPOOL.
