10th November, 1933.

Dear Sir,

M. I return herewith the plans, submitted by Mr. Dean and forwarded with your letter of the 7th instant, of the additional promenade structure, additional promenade decks, additional promenade bridge front and bulwarks and games and Officers deck proposed to be fitted in the T.S.S. "ARANDORA STAR", and with regard thereto I have to state that provided the arrangements be carried out as shown and amended, and to the satisfaction of the Surveyors, they will be approved.

I have to point out that in considering the scantlings and arrangements of the games and Officers deck it has been assumed that this structure will not be subjected to greater loading than is usual for ordinary superstructure decks.

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,

LIVERPOOL.
