Vessel's Name: "AQUITANIA"

Dear Sir,

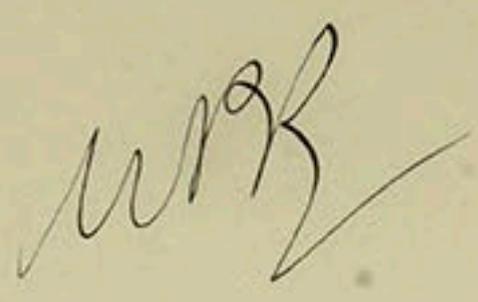

We thank you for your letter of January 13th advising us that as a result of a report from your Surveyors the "Aquitania" will require to be submitted to full Special Survey if it is desired to maintain her in service.

In view of the foregoing and the reports we have had from our own Technical officials, the decision has been taken to dispose of the vessel for breaking up.

Yours faithfully,

THE CUNARD STEAM-SHIP COMPANY LIMITED.
