Dear Sirs,

"HAKONE MARU"

Classn(S)

HVM

It is noted from your memorandum of the 11th April that this ship is laid up at Osaka and that the Owners have applied to the Japanese Ministry for permission to scrap the ship.

The case has been considered by the Committee today, and in the circumstances they have decided to defer action pending the receipt of further information from you, but the matter will be reviewed by them at the end of this month and I shall be glad if you will keep me advised of the position.

Yours faithfully,

Assistant Clerk to
the Classification Committee

The Surveyors,
KOBE.
