

EXTRACT FROM CLASSING LETTER TO SYDNEY DATED 18.12.56.

"MANUNDA" - I acknowledge receipt of your letter of the 11th instant, the contents of which have been noted. I shall be glad to learn, however, whether the propeller and outside fastenings were examined on the occasion of the survey in September, and whether the wear-down of the screws was measured. This information was requested in my Classing Letter of the 27th November.
