

27th November, 1956.

SYDNEY, N.S.W.

9401, 37, 57, 71, 77, 519 - As recommended.  
MC 29499 - As recommended.

9411 "MANUNDA" - As recommended, the proposal to postpone the Special Survey until April, 1957 having been agreed to by the committee.

In informing the Owners of this they should also be acquainted with the terms of Paragraph B.803 of the Rules. This will mean that by expiry of the period of grace in April, 1957, the portion of the Special Survey already held will not be credited.

Please let me know whether the propeller and outside fastenings were examined at this time and whether the wear-down of the screw-shafts was measured.
