Dear Sir,

S.

With reference to Glasgow First Entry Report No. 50560 on the steamer "EMPRESS OF JAPAN", I shall be glad if you will kindly inquire from the Surveyors and let me know whether the scantlings of the Promenade deck and side plating are as approved, and whether they are correct in reporting 10 bulkheads for record in the Register Book.

I am, Dear Sir,

Yours faithfully,

pro Secretary.

The Secretary,

GLASGOW.
