Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

16th November, 1932.

Dear Sirs,

F. I am in receipt of Mr. Costantini's letter of the 10th instant forwarding a translation of a letter which has been received from the Societa "ITALIA", regarding the case of the steamer "CONTE DI SAVIOA" and note what you say on the subject.

The matter has received due consideration and I have to inform you that the scantlings and arrangements are such that an increase in draught of 8 inches could be approved.

When the freeboards have been officially assigned by the Registro Italiano and marked on the vessel's sides, I shall be glad if you will be so good as to forward the usual verification of marking form for the formal approval of the freeboards by the Committee, and in order that the necessary records may be made in this Society's Register Book.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
GENOA.

Secretary.
