23rd September, 1932.

Dear Sirs,

F. I have to acknowledge the receipt of your letter of the 16th instant enclosing your report C.11 in the case of the steamer "CONTE DI SAVOIA" and note that the freeboards which have been assigned by the Registro Italiano have been assigned from the bulkhead deck instead of from the uppermost continuous deck, and in this connexion I shall be glad if, when forwarding your verification of marking form, you will report the freeboards as actually marked on the ship's sides together with the extreme draught as given on the Builders' displacement scale, for record in the Society's Register Book.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.

The Surveyors,

TRIESTE.
