Dear Mr. Carey,

I enclose herewith the First Entry Machinery Certificate of the "CONTE DI SAVOIA" so that the Boiler pressure in Lbs. per sq. inch and in Kilo grammes per sq. centimetre may be amended as per your recent correspondence with Mr. Stupari at Trieste.

As the vessel which only arrived this afternoon is due to leave Genoa again at 10 A.M. on Thursday next, would you kindly return the certificate by express mail so that we may have it in time to hand over to the Captain before he sails.

With kind regards,

Yours faithfully,

H. S. Lumbull
