21st December, 1932.

Dear Mr. Stupari,

A report (Genoa 12637) on the
Emergency Oil Engine Electric Generator Sets for the
"OCEANIA" has been received in this Office along with
the reports on the "CONTE DI SAVOIA". It is concluded
that this report was forwarded in error, but we will
keep it in this Office until the first entry arrives,
unless I hear from you to the contrary.

Yours faithfully,

L. Stupari Esq.,

TRIESTE.
